GALLATIN.

On Sunday, Rev. H. P. Gordon took with him, his congregation to Cairo, a little suburban town responding to an invitation extended by the Rev. Sister Mitchell to join with her on that day. It being the day set apart for baptism. Early Sunday morning the town of Gallatin began stirring. Buggies, hacks and autos were soon dashing through the streets of Gallatin, all pulling in the direction of Cairo. The beautiful little church was soon filled, every seat being taken, and the yard and streets were crowded with anxious listeners. Cairo can boast of having the largest crowd ever gathered there. Promptly at 12 o'clock, services began. Devotion was conducted by Rev. H. P. Gordon. All joined in singing, "I Want to be a Christian." A oneness of spirit being visible to all. The Rev. Sister Mitchell then began preaching, Text, "The Living Water." The story of the women at the well, being beautifully narrated by her. Praise was then spread, eaten and enjoyed. Last but not least, the bell was sounded again for baptism. The congregation was lined up and a song raised and a gospel tramp was on, headed for the river, just the distance of one and a half squares east of the church. Just before descending the bank of the river, Rev. Sister Mitchell caused a halt, and a short talk was made by her. On, down we went and into the beautiful waters of old Cumberland. The dear woman baptised six candidates, one woman and five men. A slight that many present had never witnessed before. From start to finish, every moment of the time embraced in service was well conducted which reflected much credit upon the woman Pastor. Officially she is deserving the rain came down in torrents, but it had no effect upon the anxious hearers. July 16, 1917, will be a memorial day for Cairo, as this was the largest crowd ever assembled upon her streets. Rev. H. P. Gordon will baptize on next Sunday. Rev. Sister Mitchell will assist him Sunday and at night will preach. Baptizing will be at Judge Judd's river, just one mile west of city. Public invited.

SHELBYVILLE.

The community was greatly shocked on last Thursday morning to hear of the sudden and untimely death of Mr. John P. Cartwright, one of the most promising young men of our city who underwent an operation at one of the hospitals in Nashville. He attended school at Tuskegee and was a graduate of Turner. He was

also a member of Ross lodge No. 69, K. P. having been Past Chancellor. He was happily married to Miss Lucile Patterson in 1913, the day of his death being the fourth anniversary of their marriage. The entire community is in deepest sympathy with the family. This was shown by the many beautiful floral designs, and the large number that attended the funeral. The funeral was conducted from the first Baptist church, of which the deceased was a member. Revs. McAdams and Gooch officiated. He was a devoted son and husband and loved by all who knew him. The interment was at Mt. Ararat cemetery.

One of the grandest features of to-day was the Annual Rally and Children's Day program at Pleasant Grove, seven miles from Shelbyville. Rev. I. C. Sherwin, pastor, preached an excellent sermon at 11 o'clock. His subject was "Children's Day." His text was, "Suffer Little Children to Come Unto Me." The Christians, A. M. E. Presbyterians and Missionary Baptists united and had a grand program and plenty of dinner. Miss Teta Sims, Mr. Charlie Parker and Mrs. Tina Brenda, read splendid papers concerning children's day and preparedness; and they were well rendered. It was very undecided, by the hearers, as to which spoke the best among the little folks being Master Thomas Ewing Rice or Master Shaffer and Walter Parker. Little Ethel Haywood, Delphia Tillman, Stella and Bertha Lou Barker, Maggie Kime, Mattie Britton, Lucy Holbert or Little Hattie, Laila J. and Milton Oats, but all spoke well. Mrs. M. A. Parker and two little sons sang a song that animated all as it was so spiritual. Miss Alma Burken, the organist was up-to-date and well posted with the music.

Eat Less Meat
And Take Kidneo
If Kidneys Hurt

Says Kidneo Flushes Kidneys, Stopping Backache

Meat Forms Uric Acid, Which Excites Kidneys and Weakens Bladder

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in the meat excites the kidneys, they become over-worked, get sluggish; clog up and cause all sorts of distress, particularly backaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get a small box of Kidneo from any druggist, take one tablet before each meal followed by a glass of water for a few days, and your kidneys will then act fine. This famous treatment is made from a formula of a specialist in the treatment of kidney trouble, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Kidneo can not injure anyone, and will be found a wonderfully effective remedy for all kidney ills. They are inexpensive and can be bought by the dozen at any drug store.
